Vail Farmers' Market & Art Show 2023 I 7 Sundays

Market: June 18-October 9, 2023

The Vail Farmers' Market & Art Show brings in over 221,000 guests every summer

The Vail Farmers' Market and Art Show brings the active outdoor enthusiast into town to explore the streets of Vail. The market has created a sense of community where locals can have lunch and purchase their produce and crafts and tourists come and enjoy the outdoors while they shop in Vail.

We offered activities for the culinary, active outdoor enthusiast to enjoy. The 2022 survey has found that hiking, mountain biking, road biking and travel are all reasons the guests came to Vail. The Market presents Colorado grown produce, meats and artisanal food products, food booths showcasing some of Vail's top chefs and premier restaurants, and a variety of high quality arts and crafts as well as multiple entertainment venues with musical entertainment, kids activities, cooking demonstrations, and more.

The Demographics:

Affluent

Health-conscious, active, fresh food and fine dining enthusiasts, home entertainers and cooks.

The attendees of the Vail Farmers' Market come equally from the Denver/Front Range and attendees who are out of state: primarily Texas, Florida, California, New York and Southern America.
